LOTE ESPECIAL SYRAH

Bodega Colomé, since 1831, is the oldest working winery in Argentina. It is located in the Upper Calchaquí Valley and has 4 Estates between 1700m and 3111m, the highest altitude of Argentina, making Colomé a unique project in the world.

Altitude, as it generates microclimates and varied terroirs, is a factor that distinguishes Salta from the rest of the regions from Argentina and worldwide and translates into outstanding expression and diversity in our wines.

TASTING NOTES

This is a Syrah made from our grapes from Finca Colomé at 2300 meters above sea level. Very dark, almost black, in colour. By nose, it has a lot of blackfruit like blackberry, a lot of spice typical of the variety and a well integrate toast from the barrel aging. It is full bodied by mouth, but still fresh with a nice tannin structure.
